

The Lynchburg Planning Commission will hold a public hearing on April 26, 2006, at 4:00 p.m., in the Conference Room, second floor, City Hall, 900 Church Street, on the following matters:

Consideration of adopting the Fifth Street Corridor Master Plan as part of the City's Comprehensive Plan 2002-2020. The master plan encompasses a two block area on both sides of Fifth Street extending from Church Street to the Martin Luther King, Jr. Memorial Bridge. The master plan proposes the revitalization of the Fifth Street Corridor as a mixed use urban street that would serve the surrounding neighborhoods of College Hill, Garland Hill, and Tinbridge Hill and link the Downtown/Riverfront with Midtown. The plan proposes the addition of on street parking to the northbound side of Fifth Street, wider sidewalks, and the installation of landscaping facilitated by the removal of one travel lane. The plan also proposes the creation of a modern roundabout at the intersections of Fifth and Federal Street. Copies of the draft plan may be obtained in the Department of Community Planning & Development, 2nd Floor of City Hall, 900 Church Street, Lynchburg, VA 24504 or on the Planning Division web page at www.lyncburgva.gov.

For additional information contact the Planning Division at 455-3917.
